Birkdale Primary School
School Donation 2019

The Board of Trustees have made the decision for the 2019 School Donation to remain the same as in the past several years. Therefore the donation is set as follows:

One Child	**$95.00 or**
Per Term	**$23.00**

(If this is paid in full by the end of the first term, a $15.00 discount applies bringing the amount to $80.00).

Two or more children	**$145.00 or**
Per Term	**$36.00**

(If this is paid in full by the end of the first term, a $15.00 discount applies bringing the amount to $130.00).

The maximum fee for any family is **$145.00.**

While school donations are voluntary they do form an important part for purchasing resources for our children. The greater the level of payment the more resources and better educational opportunities we can provide for your children.

School contributions are considered charitable donations, so you should retain your receipt for tax purposes. A claim form can be obtained by logging onto www.ird.govt.nz and typing IR526 into the search box.

People having difficulty with this donation may contact the school confidentially.

Note: EFTPOS is available at school for payment of donations – sorry no credit cards

Online Banking details: ASB 12-3035-0598237-00 (Please use child's name and reason for payment as reference)
